

Buy the wine and spirits that your customers want. It's free to sign up.

No application. No commitment. Just pop in some basic info and start shopping.

How It Works

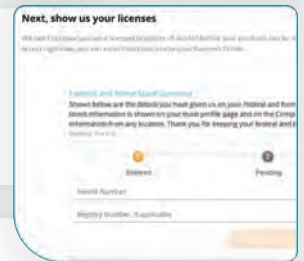

01 Visit LibDib.com and click 'Sign Up'.
Enter email, name, password, and business type.

02 Enter your business address.
This should be the same as your license address.

03 Have your retail license on hand? Upload it here!
If not, LibDib can verify.

04 Next, let LibDib know more about the types of wine and spirits that you're looking for (this step can be skipped).

Search for New & Emerging Brands. Reorder Online.

LibDib adds hundreds of new products each month. Buyers set reorder reminders for simple restocking of product favorites. It's as simple as going online to see what's new.
